ISAPS PRESIDENT MESSAGE

Dear Friends and Colleagues,

It is my pleasure to welcome you to the ISAPS World Congress 2024, Cartagena!

I am looking forward to welcoming old friends and new, who are joining us from 90 countries to exchange knowledge and best practices, network, and socialize in the beautiful Cartagena de Indias.

This year the program of the World Congress includes something for everyone with more than 350 invited faculty delivering a wealth of different activities from our pre-congress live surgeries and residents symposium, master classes and specialist workshops, oral and rapid communications, keynotes, poster discussions, clinical pearls, cadaver dissection sessions, and our new Aesthetic Insights: Lunch with an expert sessions, as well as a chance to update on industry developments through their independent workshop sessions.

Don't miss our opening scientific session at 8 am on June 12, and our formal opening ceremony that evening including the esteemed Ohmori Award lecture followed by a Colombian welcome reception. All are welcome.

Please download and check in regularly to our Congress event app for the most up-to-date program information, or to book our special sessions that require your registration. You will find information about social events, opportunities to network with your colleagues, post images, and most importantly, to evaluate our sessions. Your evaluations help define our next Olympiad faculty for Singapore 2025. It will be your program so you decide! I extend my heartfelt gratitude to all who have contributed to the success of this year's congress, including our Board and committees, National Secretaries, our esteemed faculty members, abstract submitters, participants, our Global Sponsors, congress sponsors, exhibitors, the ISAPS Executive Staff and all our suppliers here in Colombia. We hope together we have created another unforgettable event for you, our #ISAPSFAMILY, keeping us always Stronger Together!

Thank you all.

Kind regards,

Lina Triana
ISAPS President

SOCIAL EVENTS

PRESIDENT'S NETWORKING DINNER

This year's President's Networking Dinner will be a white themed party! Get your best white outfit ready for a delightful evening in the city centre of Cartagena. The white dinner party will be held at the lovely and elegant Plaza de la Proclamación, which was named after the events that took place on November 11, 1811, when the Cartageneros proclaimed the independence of Cartagena from the kingdom of Spain.

This is a ticketed event. If you are unsure if you have a ticket, please speak with a member of the team at the registration desk. Please wear or bring your badge with you in order to gain admission. Please note: We are unable to admit any guests without a ticket.

When: Friday, June 14

Time: 20:00

Dress Code: White (please note that the venue is outdoors and temperatures in Cartagena are hot and humid so we recommend light clothing: summer weight dresses or light weight shirt and trousers)

Venue: Plaza de la Proclamación (Cra. 5, El Centro, Cartagena de Indias, Colombia).

The President's Networking Dinner is supported by ISAPS Platinum Global Sponsor
